### DONALD DEAN ALLEN, DENVER ATTORNEY CERTIFIED IN BUSINESS BANKRUPTCY LAW

June 20, 2006 -- The American Board of Certification announced that Donald Dean Allen, an attorney practicing in the Denver law firm Block, Markus & Williams, LLC, has successfully completed the requirements for national certification in business bankruptcy law.

To become certified, Mr. Allen satisfied the following requirements:

- ◆ full time practice of law for at least five years;
- ◆ good standing in the bars of all states in which a license to practice law is held;
- ◆ devoted at least 30% of practice time and at least 400 hours to bankruptcy related matters in the last three years;
- ◆ documented involvement in business bankruptcy by providing information on cases;
- ◆ demonstrated commitment to continuing legal education by earning at least 60 hours of bankruptcy education in the past three years.
- ◆ passed an extensive, day-long written examination covering business bankruptcy issues.

The American Board of Certification (ABC) is a non-profit organization dedicated to serving the public and improving the quality of the bankruptcy and creditors' rights bar.

The rigorous ABC certification standards are designed to encourage practitioners to strive toward excellence and to recognize those attorneys who are experts in the bankruptcy and creditors' rights fields. The ABC offers separate certification programs in business and consumer bankruptcy and creditors' rights law. All three ABC certification programs are accredited by the American Bar Association. For a complete listing of certified attorneys, see our web page at: [www.abcworld.org](http://www.abcworld.org)

Even Congress has recognized the value of certification by adding it to the list of Section 330 compensation factors in the new bankruptcy law. Legislators and courts recognize that the successful operation of the bankruptcy system depends upon the involvement of professionals with special expertise. This new law recognizes that Board certification provides a simple, meaningful, and objective measure of skill and expertise in the bankruptcy field.

The ABC is co-sponsored by The American Bankruptcy Institute and the Commercial Law League of America. The ABC Board of Directors consists of many of the nation's finest bankruptcy and creditors' rights professionals.
